

2026 Bulk Week Pickup Dates:

September 21

October 19

November 16

Please have it out by 7AM.

No roots stumps or limbs larger than 8" in diameter.

Brush must be piled neatly with cut ends toward the road.

There will be no return trips to pick up brush.

Residents can also include brush in their garbage collection. It must be bundled, tied, cut into 4ft. lengths and no more than 50 lbs. in weight.

LEAF PICK UP: leaves are only picked up in areas with gutter curbs; if your road does not have gutter curbs, you will have to bag them for garbage pickup or mulch them.

Residents can place up to 4 large items per month for Bulk Pickup. Items should be placed out on regular trash pickup days.
